ORDER OF THE BOARD (by G.T. Girard):

On July 25, 2011, the parties timely filed a joint notice to extend the 35-day period within which the Clean Construction & Recycling, LLC, and G & E Eight Series, LLC, (collectively, respondents) may appeal a June 17, 2011 determination of the Illinois Environmental Protection Agency (Agency). The joint notice was timely filed because it was postmarked on or before the filing deadline. See 415 ILCS 5/40(a)(1) (2010); 35 Ill. Adm. Code 101.300(b), 105.206(c), 105.208(a), (c). In the determination, the Agency grants the respondents' permit with special conditions to operate a transfer station to receive municipal waste including construction-demolition debris located at 13125 North Second Street, Roscoe, Winnebago County.

The Board extends the appeal period until October 25, 2011, as the parties request. See 415 ILCS 5/40(a)(1) (2010); 35 Ill. Adm. Code 105.208(a). If the respondents fail to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, John Therriault, Assistant Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on August 4, 2011, by a vote of 5-0.
