If Respondents elect not to petition the Illinois Pollution Control Board, the statutory civil penalty specified above shall be due and payable no later than September 30, 2011, unless otherwise provided by order of the Illinois Pollution Control Board.

If Respondents elect to contest this Administrative Citation by petitioning the Illinois Pollution Control Board in accordance with Section 31.1 of the Act, 415 ILCS 5/31.1 (2008), and if the Illinois Pollution Control Board issues a finding of violation as alleged herein, after an adjudicatory hearing, Respondents shall be assessed the associated hearing costs incurred by the Illinois Environmental Protection Agency and the Illinois Pollution Control Board. Those hearing costs shall be assessed in addition to the One Thousand Five Hundred Dollar (\$1,500.00) statutory civil penalty for each violation.

Pursuant to Section 31.1(d)(1) of the Act, 415 ILCS 5/31.1(d)(1) (2008), if Respondents fail to petition or elect not to petition the Illinois Pollution Control Board for review of this Administrative Citation within thirty-five (35) days of the date of service, the Illinois Pollution Control Board shall adopt a final order, which shall include this Administrative Citation and findings of violation as alleged herein, and shall impose the statutory civil penalty specified above.

## NARRATIVE

### Site History

On March 22, 2011 I received complaint C-2011-061. I conducted the inspection at RR 3 Box 75 Vandalia IL, 62471. I observed open dumping and open burning of household garbage, furniture, and automobile parts. This site is identified in the Fayette County plat book. David and Vivian Wright are the property owners.

### Site Inspection

On July 15, 2011, I conducted a follow-up inspection at RR 3 Box 75 Vandalia, Illinois 62471. I arrived on-site at 12:30 pm. The skies were clear and the soil was dry. The temperature was 86F degrees on this day. There was no one present during my inspection. I walked around the house and I observed 30-40 used tires stored inside of the camper parked on the west side of the house.

I walked around the house and I observed in the yard household garbage, furniture, and automobile parts and an engine lying on the ground. The household garbage has been kept right outside the front door. Around two feet from where they store their garbage they have been open burning household garbage. There has been no change of site condition since my March 22, 2011 inspection. Ten photographs were taken of the yard.

The neighbor's are concerned about their health. Ms. Wright continues to open dump and open burn in the front yard and on both side of the house. Ms. Wright doesn't have trash pick-up. On March 22, 2011 Ms. Wright explained to me that she owes Country Side Disposal for past due bills.

Due to this investigation, the following violations have been alleged: Illinois Environmental Protection Act. Sections 9(a), 9(c), 21(a), 21(c), 21(p)(1)(3).

Ms. Vivian Wright must remove all of the solid waste from RR 3 Box 75 Vandalia, Illinois 62471 to a permitted landfill or transfer station. All receipts must be submitted to the Illinois EPA to verify the waste was properly disposed.
