HEARING OFFICER ORDER

On October 12, 2011, all parties participated in a telephonic status conference. The parties stated that they continue in their efforts to resolve these consolidated appeals. In particular, access issues have been resolved as to four of the neighboring sites and monitoring wells installed on three. The parties continue to discuss access issues as to the remaining two.

By agreement, the administrative records in the above appeals are now due to be filed on or before December 1, 2011.

The parties or their legal representatives are reminded and directed to appear at a telephonic status conference with the hearing officer on November 10, 2011, at 9:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
