ORDER OF THE BOARD (by G. T. Girard):

On October 12, 2011, Congress Development, Co. (Congress) timely filed a petition asking the Board to review a September 7, 2011 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2010); 35 Ill. Adm. Code 101.300(b), 105.206. The determination concerns Congress's sanitary landfill in Hillside, Cook County. For the reasons below, the Board accepts the petition for review.

Under the Environmental Protection Act (415 ILCS 5 (2010)), the Agency is the permitting authority, responsible for administering Illinois' regulatory programs to protect the environment. If the Agency denies a permit or grants one with conditions, the permit applicant may appeal the Agency's decision to the Board. *See* 415 ILCS 5/4, 5, 40(a)(1) (2010); 35 Ill. Adm. Code 105.Subpart D. In this case, the Agency denied Congress's application for a permit to modify a solid waste management site regarding Congress's Cook County facility. Congress appeals on the grounds that the agency denied permit to modify based on erroneous reading of Section 22.2c of the Act (415 ILCS 5/22.2c (2010)). Congress's petition meets the content requirements of 35 Ill. Adm. Code 105.210.

The Board accepts the petition for hearing. Congress has the burden of proof. 415 ILCS 5/40(a)(1) (2010); *see also* 35 Ill. Adm. Code 105.112(a). Hearings will be based exclusively on the record before the Agency at the time the Agency issued its permit decision. *See* 35 Ill. Adm. Code 105.214(a). Accordingly, though the Board hearing affords a permit applicant the opportunity to challenge the Agency's reasons for denying or conditionally granting the permit, information developed after the Agency's decision typically is not admitted at hearing or considered by the Board. *See* Alton Packaging Corp. v. PCB, 162 Ill. App. 3d 731, 738, 516 N.E.2d 275, 280 (5th Dist. 1987); Community Landfill Co. & City of Morris v. IEPA, PCB 01-170 (Dec. 6, 2001), *aff'd sub nom. Community Landfill Co. & City of Morris v. PCB & IEPA*, 331 Ill. App. 3d 1056, 772 N.E.2d 231 (3rd Dist. 2002).

Hearings will be scheduled and completed in a timely manner, consistent with the decision deadline (*see* 415 ILCS 5/40(a)(2) (2010)), which only Congress may extend by waiver (*see* 35 Ill. Adm. Code 101.308). If the Board fails to take final action by the decision deadline,

Congress “may deem the permit issued.” 415 ILCS 5/40(a)(2) (2010). Currently, the decision deadline is February 9, 2012, which is the 120th day after the Board received the petition. *See* 35 Ill. Adm. Code 105.114. The Board meeting immediately before the decision deadline is scheduled for February 2, 2012.

Unless the Board or the hearing officer orders otherwise, the Agency must file the entire record of its determination by November 11, 2011, which is 30 days after the Board received Congress’s petition. *See* 35 Ill. Adm. Code 105.212(a). If the Agency wishes to seek additional time to file the record, it must file a request for extension before the date on which the record is due to be filed. *See* 35 Ill. Adm. Code 105.116. The record must comply with the content requirements of 35 Ill. Adm. Code 105.212(b).

IT IS SO ORDERED.

I, John Therriault, Assistant Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on October 20, 2011, by a vote of 5-0.

---

John Therriault, Assistant Clerk  
Illinois Pollution Control Board
