To Whom It May Concern:

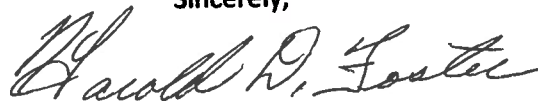

My name is Harold Dean Foster, 42998 County Hwy 8, Pittsfield (Time), IL 62363 and I have been working with the EPA in regards to my case #: 340-11-AC.

I am in receipt of citations dated 11-8-11 and for the past several months, I have attempted to maintain a standard in cleaning up my property. I am continuing to clean my property up and will continue to do such. I am formally filing this petition for review of my case so that you would consider dropping said citations as I do not have the money to pay such fines.

It will be my intention to work to clean my property up and am hoping to have your agency return to find the property cleaned in a manner consistent with your inspector's suggestions.

I hope to hear from you regarding this Petition for Review. It is my understanding that I have 35-days upon receipt of said citations and would like to address these issues without a financial fine to which I simply can't afford.

Sincerely,

Harold D. Foster
