ORDER OF THE BOARD (by T.A. Holbrook):

On October 24, 2011, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a five-count complaint against the Village of Cave-in-Rock (Village) and Maier's Tidy Bowl, Inc. (MTB). The complaint concerns the Village's waste water treatment plant, which discharges treated waste into an unnamed tributary of the Ohio River, and is located in the east half of section 14, Township 12 South, Range 3 East of the Third Meridian, Village of Cave-In-Rock, Hardin County. The People and the Village now seek to settle without a hearing. For the reasons below, the Board accepts the parties' stipulation and proposed settlement.¹

Under the Environmental Protection Act (Act) (415 ILCS 5 (2010)), the Attorney General and the State's Attorneys may bring actions before the Board to enforce Illinois' environmental requirements on behalf of the People. *See* 415 ILCS 5/31 (2010); 35 Ill. Adm. Code 103. In this case, the People allege the following:

- Count I: The Village and MTB violated Section 12(a) of the Act (415 ILCS 5/12(a) (2010)) by causing or allowing the discharge of raw sewage into waters of the State so as to cause water pollution;

- Count II: The Village violated Section 306.304 of the Board's Water Pollution Regulations (35 Ill. Adm. Code 306.304); NPDES Permit Conditions; and Section 12(f) of the Act (415 ILCS 5/12(f) (2010)) by allowing untreated sewage to overflow or bypass the lift station and sanitary sewer lines,;

- Count III: The Village and MTB violated Section 302.203 of the Board's Water Pollution Regulations (35 Ill. Adm. Code 302.203) and Section 12(a) of

¹ The Board previously accepted a simultaneous stipulated settlement from Maier's Tidy Bowl, Inc., *see* People v. Village of Cave-In-Rock et al., PCB 12-59 (December 15, 2011).

the Act (415 ILCS 5/12(a) (2010)) by allowing a discharge of black, odorous, raw sewage directly into the tributary, thereby causing color and odor of unnatural origin in the tributary;

- Count IV: The Village violated Section 304.106 of the Board's Water Pollution Regulations (35 Ill. Adm. Code 304.106) and Section 12(a) of the Act (415 ILCS 5/12(a) (2010)) by causing or allowing a liquid discharge exhibiting a raw sewage odor from sanitary sewer lines across a parking lot and into the Ohio River, and both the Village and MTB violated Section 304.106 of the Board's Water Pollution Regulations (35 Ill. Adm. Code 304.106) and Section 12(a) of the Act (415 ILCS 5/12(a) (2010)) by causing or allowing a liquid discharge exhibiting obvious turbidity and a raw sewage odor to the tributary; and
- Count V: The Village violated Section 306.102(a) of the Board's Water Pollution Regulations (35 Ill. Adm. Code 306.102(a)) by failing to maintain operable backup pump at its lift station so as to minimize violations of applicable standards, and Section 12(a) of the Act (415 ILCS 5/12(a) (2010)) by causing, threatening, or allowing the discharge of raw sewage so as to violate Board regulations.

On December 23, 2011, the People and the Village filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2010)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2010)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief. The newspaper notice was published in the *Hardin County Independent* on January 12, 2012. The Board did not receive any requests for hearing. The Board grants the parties' request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2010); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board's procedural rules sets forth the required contents of stipulations and proposed settlements. *See* 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of the Village's operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2010)), which bears on the reasonableness of the circumstances surrounding the alleged violations. The Village does not affirmatively admit the alleged violations. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2010)), which may mitigate or aggravate the civil penalty amount. The Village agrees to pay a civil penalty of \$1,950.00. The People and the Village have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.
