HEARING OFFICER ORDER

On March 13, 2012, all parties participated in a telephonic status conference with the hearing officer. The complainant stated that after a protracted amount of time, the respondent has submitted all of the requested financial documents to address the ability to pay issue. The documents are now being reviewed by the Illinois Environmental Protection Agency (Agency). The complainant stated that it hopes and anticipates that the Agency will conclude its review within the next 14 days. At that time, the complainant will notify the respondent of the Agency's analysis.

It is anticipated that the parties will know by the next status conference whether the case will be settled or whether it will proceed to hearing. If the matter proceeds to hearing, a discovery schedule will be discussed at the next status conference.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on April 5, 2012, at 11:45 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
