**HEARING OFFICER ORDER**

On March 22, 2012, the complainant informed the hearing officer that the parties are reviewing a draft stipulation and proposal for settlement (stipulation). The complainant appears confident that the above-captioned matter will be resolved without the necessity of a hearing. To that end, the respondent's answer is now due to be filed on or before May 21, 2012.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on April 26, 2012, at 11:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
