Illinois Pollution Control Board

Dear Mr. Fox:

On April 2, 2012 I left a message on your phone and also spoke to John Therriault.

I am requesting a hearing in Jo Daviess County, which as you know has a significant number of livestock to deal with rulemaking for CAFOs. I just learned of the hearings scheduled across Illinois to deal with this issue. These hearings are in the matter of CAFOs: proposed amendments to 35ILL. ADM. Code Parts 501, 502, and 504; R12-23 (Rulemaking – Water).

I can certainly arrange a location. Many of my constituents are requesting this hearing as it is very important to us.

Very truly yours,
