ORDER OF THE BOARD (by T.A. Holbrook):

On March 30, 2012, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a one-count complaint against S.H. Bell Co., Inc. (respondent). The complaint concerns respondent's materials handling facility located at 10218 South Avenue O, Chicago, Cook County. Accompanying the complaint was a stipulation, proposal for settlement, and request for relief from the hearing requirement. The parties seek to settle without a hearing. For the reasons below, the Board accepts the parties' stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2010)), the Attorney General and the State's Attorney may bring actions before the Board to enforce Illinois' environmental requirements on behalf of the People. *See* 415 ILCS 5/31 (2010); 35 Ill. Adm. Code. 103. In this case, the People allege that respondent violated Section 39.5(6)(b) of the Act (415 ILCS 5/39.5(6)(b) (2010)) by operating a Clean Air Act Permit Program (CAAPP) source without a CAAPP permit.

On March 30, 2012, simultaneously with the People's complaint, the People and respondent filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2010)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2010)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). Under the proposed stipulation, respondent does not affirmatively admit the alleged violations and agrees to pay a civil penalty of \$15,000.00.

The Board provided notice of the stipulation, proposed settlement, and request for relief. The newspaper notice was published in the *Chicago Sun Times* on April 9, 2012. The Board did not receive any request for hearing. The Board grants the parties' request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2010); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board's procedural rules sets forth the required contents of stipulations and proposed settlements. 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of the respondents' operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2010)). The People and the respondent have satisfied Section 103.302. Respondent does not affirmatively admit the alleged violations and agrees to pay a civil penalty of \$15,000.00. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.
