HEARING OFFICER ORDER

On May 17, 2012, all parties participated in a telephonic status conference. The petitioner stated that it does not appear likely that they will not be able to reach an agreement for access to the remaining site for testing and therefore should proceed with a hearing.

The parties will review the administrative records when they are filed on or before June 8, 2012. After review, the parties will decide whether any discovery is needed.

The parties or their legal representatives are reminded and directed to appear at a telephonic status conference with the hearing officer on June 18, 2012, at 9:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
