HEARING OFFICER ORDER

On July 12, 2012, all parties participated in a telephonic status conference with the hearing officer. The respondent stated that she continues her attempt to clean the site. The complainant suggested that another status conference be scheduled to review the progress.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on October 4, 2012, at 9:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
