HEARING OFFICER ORDER

On September 6, 2012, all parties participated in a telephonic status conference with the hearing officer. The parties stated that discussions continue regarding some technical language in the stipulation and proposal for settlement (stipulation) document but the parties remain optimistic the above-captioned matter will be resolved without the necessity of a hearing.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on November 8, 2012, at 10:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.
