HEARING OFFICER ORDER

On October 4, 2012 all parties participated in a telephonic status conference with the hearing officer. The petitioner stated that the respondent notified it that it will be unable pursue the options it was exploring to resolve this appeal. Instead, it will proceed in issuing a revised permit incorporating to the extent possible petitioner's comments. The petitioner is optimistic that a revised permit will be issued by the next telephonic status conference. To that end, respondent's record is now due to be filed on or before February 22, 2013. Petitioner stated that it will file an additional waiver of the statutory decision deadline to and including April 18, 2013.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on January 24, 2013, at 10:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance.
