ORDER OF THE BOARD (by D. Glosser):

On July 19, 1994, Land and Lakes Co., JMC Operations, Inc. and NBD Trust Company of Illinois as trustee under Trust No. 2624 EG (collectively petitioners) filed an appeal pursuant to Section 40.1(a) of the Environmental Protection Act (415 ILCS 5/40.1(a)) from a decision by the Village of Romeoville (Village) denying local siting approval for the expansion of the Willow Ranch Landfill facility located in Will County. Being the third time the same May 15, 1990 siting application was before the Board for review, the instant appeal alternatively challenged 1) whether the Village actually rendered its decision at a June 15, 1994 Village Board meeting, 2) whether these proceedings are unconstitutional, 3) whether any Village decision was against the manifest weight of evidence, and 4) whether the Village's remand proceedings were fundamentally unfair.

On October 30, 2012, petitioners filed a motion to dismiss the appeal, indicating that that they no longer wish to pursue the appeal from a local siting decision. The Board grants the motion, dismisses the appeal, and closes the docket.

IT IS SO ORDERED.

Board Member J. O'Leary abstains.

I, John T. Therriault, Assistant Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on November 15, 2012, by a vote of 4-0.
