- 1 HEARING OFFICER HALLORAN: Good morning. My
- 2 name is Bradley Halloran. I am the hearing
- officer with the Illinois Pollution Control
- 4 Board. I am also assigned to this matter
- <sup>5</sup> entitled, Martin Maggio, petitioner, versus
- 6 County of Winnebago, Winnebago County Board and
- Winnebago Landfill Company, LLC, respondents.
- We have it as Docket PCB 13-10. It's a
- 9 third-party pollution control facility siting
- appeal. Today is December 4th, 2012. It's
- approximately 9:00 a.m. This hearing has been
- scheduled and noticed according to the Illinois
- Pollution Control Board's rules and procedures
- and the Environmental Protection Act. It will
- be conducted according to procedural rules found
- in the Board Rules found in Section 107 and 101
- of the Board's procedural rules.
- Please know that I don't make the
- 19 ultimate decision in this matter. I rule on
- evidentiary matters and make sure that the
- hearing goes smoothly. It's up to the five
- board members, and what they will do is review
- the record, review the post-hearing briefs, the
- transcript and any exhibits to arrive at their

- 1 decision.
- And I do want to note -- and I am
- 3 reading from the Pollution Control Board's
- August 23rd, 2012, order where they accepted a
- 5 case, and I am reading from the third paragraph
- 6 to give you a little background in the matter.
- 7 The Board states, "In this case, petitioner
- 8 appeals on the grounds that the county board did
- 9 not have proper jurisdiction to conduct public
- 10 hearings on WLLC's application due to failure to
- serve notice and that the proceedings were not
- 12 fundamentally fair. And then they went ahead
- and accepted the case.
- With that said, we will go ahead around
- the table and introduce the parties. Mr.
- 16 Blazer?
- MR. BLAZER: Thank you, Mr. Halloran.
- 18 Michael Blazer for the petitioner, Martin
- 19 Maggio.
- MR. KURLINKUS: David Kurlinkus on the behalf
- of the County of Winnebago.
- MR. MUELLER: George Mueller for Winnebago
- 23 Landfill, LLC.
- MR. HELSTEN: And Charles Helsten for

- 1 Winnebago Landfill, LLC as well.
- 2 HEARING OFFICER HALLORAN: Thank you,
- gentlemen. I'm not sure. Do we want to do any
- <sup>4</sup> openings, or do you want to save those for later
- 5 during briefs?
- MR. BLAZER: My suggestion is we save it for
- <sup>7</sup> the briefs, Mr. Halloran. I think Mr. Mueller
- 8 and I have stipulated to pretty much everything.
- 9 So we probably can save the time and use it
- 10 better later.
- 11 HEARING OFFICER HALLORAN: Okay. Proceed.
- MR. BLAZER: There are a couple of
- 13 preliminary matters. I had indicated this a
- couple of status conferences ago, and I will
- file a written motion. I neglected to do that,
- but with respect to the two bases for our appeal
- that you just read into the record, we are
- withdrawing our fundamental fairness claim and
- just to tidy up the record, I will -- I will
- file a written motion to that effect -- or a
- written notice to that effect. Excuse me.
- And then, secondly, we had issued a
- deposition subpoena to the hearing officer in
- the underlying siting proceeding, Mr. Price, and

- we are formally withdrawing that subpoena.
- 2 HEARING OFFICER HALLORAN: Okay. With that
- said, Mr. Price filed a motion to quash the
- 4 subpoena. So we will consider his motion moot.
- MR. BLAZER: Correct. Then the only other
- 6 thing we have, Mr. Halloran, is five petitioner
- 7 exhibits. The first, Petitioner's 1, is a
- 8 stipulation that has been executed by myself and
- 9 Mr. Mueller that deals with the underlying facts
- that lead to our claim for the lack of
- jurisdiction. I will tender the original of
- 12 that to you.
- HEARING OFFICER HALLORAN: Thank you, sir.
- MR. MUELLER: I have got one. I don't have
- $^{15}$  any of the others.
- MR. BLAZER: Secondly, Petitioner's 2 is an
- excerpt from the siting application that is in
- 18 the record. It was -- the entire underlying
- 19 record was submitted by the county.
- Petitioner's 2 is just a portion of
- 21 Appendix D of the siting application, which
- includes the site drawing of the site that's at
- issue in this case. And all of the -- most of
- the documents I am going to be referring to are

- already in the record except for one. I have
- done this simply because while the record is
- quite voluminous, the issues to be decided by
- 4 the Board are actually very narrow. And the
- 5 documents I am going to be tendering relate
- 6 solely to the jurisdiction issue.
- And that way the Board won't have to go
- 8 wading through several thousands of pages of
- 9 record that Mr. Kurlinkus was so kind as to
- 10 file. So that's Petitioner's 2.
- Petitioner's 3 is a series of printouts
- 12 from the Winnebago and Ogle County Recorder's
- records or tax records. They are the maps and
- descriptions of the parcels that are identified
- in the stipulation which is Petitioner's 1.
- 16 HEARING OFFICER HALLORAN: Thank you, sir.
- MR. BLAZER: Petitioner's 4 is the resolution
- 18 from Winnebago County which approved the siting
- 19 application, and that's also already in the
- record, but again, it will make it easier in
- this proceeding moving forward.
- 22 And then Petitioner's 5 is the report
- of the hearing officer in the siting proceeding,
- which is incorporated in Petitioner's 4 in the

- 1 county's decision document. And that's all we
- 2 have.
- 3 HEARING OFFICER HALLORAN: All right. So
- 4 without objection, Petitioner's Exhibits 1
- 5 through 5 are admitted.
- MR. KURLINKUS: If I can have one moment. If
- we can go off the record, I need to talk to Mr.
- 8 Blazer.
- 9 (Whereupon, a discussion was had
- off the record.)
- HEARING OFFICER HALLORAN: We are back on the
- 12 record.
- MR. BLAZER: Mr. Mueller pointed out to me
- that the addresses that are reflected in the
- county printouts, which are Petitioner's 3, may
- not all be accurate. We had tendered this
- solely to identify the parcels and parcel
- numbers, which are on the records and that's the
- sole reason we are tendering them. We don't
- vouch for, nor are we particularly concerned
- 21 about the addresses.
- MR. MUELLER: So to make it clear, Mr.
- Halloran, the addresses represented on
- petitioner's Exhibit 3 are not necessarily the

- 1 addresses shown on the authentic tax records of
- the county. We believe the addresses shown on
- the authentic tax records are set forth in the
- 4 tracking summary that is part of Petitioner's
- 5 Exhibit 1.
- 6 MR. BLAZER: Correct.
- HEARING OFFICER HALLORAN: Okay. Thanks.
- 8 With that cleared up, no objection to --
- 9 MR. MUELLER: No objection.
- HEARING OFFICER HALLORAN: Thank you.
- 11 Petitioner's Exhibits 1 through 5 are admitted
- with that qualification.
- 13 (Whereupon, Petitioner's Exhibit
- Nos. 1-5 were marked for
- 15 identification and admitted
- into evidence.)
- MR. BLAZER: And Mr. Halloran, that is the
- 18 entirety of our case.
- 19 HEARING OFFICER HALLORAN: All right. So Mr.
- Blazer rests his case. Respondents, do you rest
- yours as well?
- MR. MUELLER: We have no evidence to offer.
- HEARING OFFICER HALLORAN: Okay. What we
- $^{24}$  will do and what we did prior to starting this

- 1 hearing is we set a briefing schedule. By
- 2 contract I believe the transcript should be
- 3 ready by December 14th, and that will be filed
- by the Board by the court reporter or sooner.
- We are going to have the record closed
- on January 30th. Petitioner has until
- January 2nd, 2013 to file his post-hearing
- 8 brief. Respondents have until January 23rd to
- <sup>9</sup> file their post-hearing briefs, and then Mr.
- Blazer has until January 30th to file his reply,
- if any. And regarding the January 30th reply
- date, we have agreed that the mailbox rule does
- not apply. So have it filed with the Board by
- January 30th --
- MR. BLAZER: If not sooner.
- 16 HEARING OFFICER HALLORAN: Thank you, Mr.
- 17 Blazer.
- Anything else we need to discuss? All
- 19 right. That concludes the hearing, and I do
- want to thank you, you know, again, for your
- 21 professionalism. It's been an absolute pleasure
- working with you gentlemen. And before I go off
- the record, I want to note there are no members
- of the public here. It's just a few interested
