ORDER OF THE BOARD (by J.A. Burke):

On November 26, 2012, the City of Springfield and the Illinois Environmental Protection Agency (collectively, parties) filed a joint motion to lift stay of uncontested Clean Air Act Permit Program (CAAPP) permit conditions and request for remand to the respondent to revise the permit's term of duration (November 26, 2012 joint motion).

On December 5, 2012, the parties filed an emergency joint motion to hold the November 26, 2012 joint motion as it appeared on the Board's December 6, 2012 meeting agenda and to withdraw the motion from further consideration (December 5, 2012 joint motion). According to the December 5, 2012 joint motion,

[i]t has come to the parties' attention that there has been mis-communication as to the interpretation of one provision of the November 26, 2012 joint motion, and thus the parties respectfully request that the joint motion be held. . . . The parties will clarify the language that has come into question and re-file the motion for consideration at a later date. December 5, 2012 Joint Mot. at 2.

The Board deems the parties' motion to hold this matter at its December 6, 2012 Board meeting as moot. Further, the Board grants the parties' motion to withdraw the November 26, 2012 joint motion.

IT IS SO ORDERED.

I, John Therriault, Assistant Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above interim opinion and order on December 20, 2012, by a vote of 5-0.
