**HEARING OFFICER ORDER**

On December 14, 2012, the complainant filed a motion for extension of the discovery schedule. Complainant states compelling reasons for its request that a three month extension for the respective discovery due dates is required. To date, the respondents have not filed a response.

Complainant's motion is granted to the extent that the deadline for all parties to add other parties to the proceeding is March 21, 2013. Discovery, including document requests, interrogatories, requests to admit, depositions and subpoenas, is to be concluded on or before April 25, 2013. Additional briefing schedules, if needed, will be discussed at the next status conference.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on February 11, 2013, at 10:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
