**HEARING OFFICER ORDER**

On January 10, 2013, a telephonic status conference was held. An attorney for First American Properties, LLC, (First American) appeared and requested an extension of time to file its motion to dismiss to and including January 11, 2013. It had previously filed a written motion for an extension of time on December 13, 2012. The complainant had no objection. The motion was granted. To that end, any timelines for outstanding discovery served on First American is stayed.

It is noted that First American was added by the complainant as a respondent in complainant's First Amended Complaint filed August 30, 2011. The complaint was not accompanied with a motion for leave to file so the Board has not ruled on the First Amended complaint.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on March 28, 2013, at 10:00 a.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.

A handwritten signature in black ink that reads "Bradley P. Halloran". The signature is written in a cursive style and is positioned above a solid horizontal line.
