**General Comments:**

**Ownership:** Confirmed. The Champaign County Supervisor of Assessments confirmed the property is owned by Ray A. Hewerdine.

The Illinois Environmental Protection Agency, Division of Land Pollution received a complaint of open burning of tires on July 31<sup>st</sup>, 2012 at an address on 1700E County Road in Ludlow Township, rural Champaign County.

An investigation on August 2, 2012 found wastes had been burned on the property and that several waste/used tires were being hap-hazardously stored improperly on the property. An Administrative Citation Warning Notice (ACWN) was sent on August 22, 2012.

The Illinois Environmental Protection Agency, Division of Land Pollution received a complaint of open burning on November 28th, 2012 at 3467 County Road, in Ludlow Township, rural Champaign County.

The purpose of this inspection was to determine regulatory status and evaluate compliance with the Environmental Protection Act (Act) and Title 35 Illinois Administrative Code, Subtitle G: Land Pollution (Regulations).

**November 29, 2012 Observations:**

I arrived on this site at approximately 10:00 a.m. The purpose was to re-inspect the property after a complaint of open burning of wastes in July/August 2012 and investigate a newly received complaint of open burning. No one was at the residence to answer the door. I then proceeded to walk around the barn looking for a burn barrel or burn area.

As I walked around the property I observed an approximately 1000 gallon steel tank that was being used to dispose of wastes by open burning (photos 1,2). The burn tank was about  $\frac{3}{4}$  full of ash which indicated that the tank has been used for an extended period of time. Within the ash was observed metal cans, metal pipe (likely electrical conduit), and the metal springs from a household chair. Also observed near the burn tank was a flatbed truck with a pile of ash (photo 3). The ash likely was from the burn tank or nearby burn barrels.

I observed the semi-truck tires were no on observed (photo 4). No receipts had been received demonstrating that removed wastes had been properly disposed.

I left the property at approximately 10:15 a.m.

Violations of Sections 55(a)(1) and 55(k)(1) of the Illinois Environmental Protection Act (Act) would be considered resolved.

**Apparent violations observed continuing during this inspection:**

Sections 21(a), 21(e), and 21(p)(1) of the Illinois Environmental Protection Act (Act) would be continuing at this location and the new violation of Section 21(p)(3) of the Act was observed.
