

pc# 24

Case No.: R2012-023 - In the matter of: CAFOs, Proposed Amendments to 35
Ill. Adm. Code Parts 501, 502 and 504

Every CAFO in Illinois should have to follow the water standards of the Clean Water Act.

We are in drought times, the climate is changing and water is more precious than gold. Is there someone who does not understand this?

Jane Alexander
Chicago, Illinois
