To Whom It may Concern

In Regards to The citation to Christopher Will 6168 Hickory Ridge Rd, Pomona, IL 62975, All the stuff beside the garage had it purposes and was a busy year. I had no time to organize. Far as my spare time I have some trailer + vehicles I have to have the space. the Ice Box was plugged in and working. the scrap pile if u would have showed up 24 hrs later 90% of the scrap + trash was hauled off.

my ladders, tarp, Inloader for tractor is not trash also.

If Barbed wire is illegal then it should not be Bought at scrap yards barnt. we need to address it. It promotes illegal activity.

Carboard scraps blew down the hillside in the wind and they came off new doors I bought for my house.

The fire on hillside is Root Bells dog out of hillside I removed 10 ft of dirt off hillside and moved it into washout.

there is no creek within a 1/2 mile of the washout.

I have took my time to express towing for disposal. My dumpster has been full every week.

The pictures I took were the weekend after I got seized to show what I have done, I had no idea any one was here.

My girlfriend was home and no one knocked on the door. I also have an older man that worked for Jackson county Sheriff's department that stays at my house and he never saw anyone here.

I will be expecting to hear from you on this matter.
