RE: PCB 2013-024

Mr. Therriault

Midwest Generation's dirty coal plants in Illinois have been dumping dangerous sulfur dioxide emissions into the air and making local residents sick for far too long. In order to reduce dangerous pollution and save lives in Illinois, I urge you to require the company to meet the pollution reductions it previously agreed to by voting no on the requested variance.

Sincerely,

Janet Bovenkerk
245 Somonauk St.
Park Forest, IL 60466
