

Certificate of Publication in THE STATE JOURNAL-REGISTER by GateHouse Media Illinois Holdings, Inc.

STATE OF ILLINOIS
COUNTY OF SANGAMON ss

GATEHOUSE MEDIA ILLINOIS HOLDINGS, INC., DOES HEREBY CERTIFY:

That it is a corporation duly organized and existing under the laws of the State of Illinois;

That it is the publisher of *The State Journal-Register*, a secular daily newspaper printed and published in the City of Springfield, in Sangamon County, Illinois, and of general circulation in said City, County and State; and that it is a newspaper as defined in "An Act to revise the law in relation to notices" - Illinois Compiled Statutes, Chapter 715 Sections 1 and 5.

That a notice of which the annexed is a true copy has been regularly published in said newspaper one time each day; that the first publication of said notice was on the thirty-first day of March, 2013, and the last publication thereof was on the thirty-first day of March, 2013,

That the face of type in which each publication of said notice was printed was the same as the body of type used in the classified advertising in the newspaper in which said publication was made;

That said *The State Journal-Register* has been regularly published in said City, County and State for at least one year Prior to publication of said notice.

In WITNESS WHEREOF, said GateHouse Media Illinois Holdings, Inc., publisher as aforesaid, has executed this Certificate of Publication by its Officer or Agent thereunto duly authorized this thirty-first day of March, 2013.

No. 13-667

ILLINOIS POLLUTION CONTROL BOARD NOTICE OF PUBLIC HEARING

The Illinois Pollution Control Board gives notice of public hearings regarding rule changes proposed by the Illinois Environmental Protection Agency in Vapor Recovery Rules: Amendments to 35 Ill. Adm. Code Parts 201, 218, and 219, docket R13-18. If the Board adopts the rule changes, the Illinois Environmental Protection Agency will submit them to the United States Environmental Protection Agency as proposed revisions to the Illinois State Implementation Plan (SIP) for ozone control. However, any changes to 35 Ill. Adm. Code 201.210 would not be part of the SIP revision submittal. The SIP contains Illinois' requirements to attain and maintain National Ambient Air Quality Standards to protect public health and the environment under the federal Clean Air Act and state Environmental Protection Act. The proposed revisions include (1), in the Chicago ozone nonattainment area, phasing out the requirement for gasoline dispensing operations to install, maintain, and operate Stage II vapor recovery systems and requiring system decommissioning, (2) addressing State permitting exemptions for Stage II gasoline dispensing operations and Stage I storage tank filling operations at gasoline dispensing operations, and (3) repealing the unnecessary Stage I registration provisions. Interested persons are invited to attend the hearings and/or to submit written comments. The first hearing will be held on Wednesday, May 8, 2013, at 11:00 a.m. at the Illinois Pollution Control Board, PCB Conference Room 1244, 1021 N. Grand Ave. East, North Entrance, Springfield, IL. A second hearing will be held on June 5, 2013, at 1:00 pm at the Michael A. Bilandic Building, 160 North LaSalle St., Room N-505, Chicago, IL. The hearings are subject to cancellation without notice and may be confirmed by calling the Office of the Clerk at 312/814-3461. A copy of the IEPA proposal and the Board's Orders in docket R13-18 are available for public inspection on the Board's website at <http://www.ipcb.state.il.us/> and at the Clerk's Office, IPCB, Suite 11-500, Thompson Center, 100 West Randolph St., Chicago, IL.
