

PETITION FOR REVIEW

ILLINOIS ENVIRONMENTAL

PROTECTION AGENCY

Complainant,

V.

DONN A COCKERILL and MARK JOHNSON

Respondent

4. Was out of my control to come in complications.

Mr. Johnson was in a vehicle accident in late May 2012. He had a coughing seizer and past out. Hit a tree head —on and had chest injury. Was unable to do heavy lifting for six months. I had to finish the job he was on at the time and I got sick for refinishing a floor.

I had called a guy at M&M Salvage and he was to come as soon as he got done with the job he had at the time. He is a union operator and got call back to work. By the time he got done it was winter.

He was able to get here the end of June and all most everything is gone. His loader had trouble and he had to get it fixed. He has been called back to work but will be back soon to finish the last load.
