Subject: Docket R13-15

John: I discussed the Docket R13-15 with Mike Mc Cambridge this morning. We find it to be very good. There are only two issues. The first is probably a simple typo.

Item 1

In 726.200(b)(4) 40 CFR 63.1216(e) and 63.1218 are cited. The actual cites should be 40 CFR 63.1216(e) and **63.6217(e)**.

The second involves CBI claims in the export rule:

Item 2

In 722.185(g), U.S. EPA guidance states that "At 262.85(g), the Federal references to 40 CFR 2.203(b) and 260.2 should be retained".

A prudent way to handle this may be to add in the Board Note below the rule:

Information submitted to U.S. EPA for which a claim of confidentiality is asserted in accordance with 40 CFR 2.203(b) will be treated as confidential and will be disclosed by U.S. EPA only as provided in 40 CFR 260.2.
