HEARING OFFICER ORDER

On September 4, 2013, all parties participated in a telephonic status conference with the hearing officer. The petitioner stated that due to a recently enacted vapor intrusion regulation, it is required to proceed with an assessment of the site. The parties remain optimistic that the above-captioned appeal will be resolved by the next status conference.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 5, 2013, at 9:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily dismiss is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
