**HEARING OFFICER ORDER**

On August 20, 2013, the complainant filed a motion for extension of the discovery schedule. To date, the respondents have not responded. The complainant states, *inter alia*, the motion for discovery extension is sought “to promote discovery efficiency between this Board case and the companion state case.” Motion at 2.

Complainant’s motion is granted to the extent as follows: all motions to add additional parties must be filed on or before January 21, 2014; all discovery, including document requests, interrogatories, requests to admit, depositions and subpoenas, must be concluded on or before February 25, 2014.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on October 31, 2013, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
