HEARING OFFICER ORDER

A telephonic status conference was scheduled for September 26, 2013. The respondent again did not appear. The complainant informed the hearing officer that she called the respondent's residence and left a message with an occupant. The complainant's counsel further stated that respondent did not contact her since the last status conference as directed in the hearing officer order dated August 22, 2013.

The complainant suggested we continue the status conference.

Respondent is again directed to contact the complainant prior to the next status conference. Should respondent fail to contact the complainant as directed, this matter may be referred to the Board for further action.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on October 31, 2013, at 11:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
