HEARING OFFICER ORDER

On November 21, 2013, all parties participated in a telephonic status conference with the hearing officer. The petitioner stated that it has procured at least one sample from all of the off-site monitoring wells and is in the process of securing a second sample from the respective wells. Once completed, it intends to file a significant modification permit application with the respondent. If approved, the petitioner intends to file a motion to dismiss these appeals.

The respondent stated that it is in agreement with petitioner's intentions.

The petitioner stated that it will file an additional waiver of the statutory decision deadline to and including June 5, 2014.

The parties or their legal representatives are reminded and directed to appear at a telephonic status conference with the hearing officer on February 27, 2014, at 9:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
