HEARING OFFICER ORDER

On January 23, 2014, complainant filed a motion for an extension of discovery schedule. The complainant requests to suspend the discovery schedule until it can be revisited at the next status conference. It is noted that at the January 16, 2014, telephonic status conference, the complainant stated that the companion or related case is proceeding in the circuit court and has thus far resulted in a judgment against both respondents.

The complainant's motion is granted and the discovery schedule will be discussed at the next status conference noted below.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on March 13, 2014, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
