**HEARING OFFICER ORDER**

On February 3, 2014, the parties participated in a telephone status conference with the hearing officer. On January 29, 2014, the People filed a motion for extension of discovery deadlines. The motion states that the People are waiting for Central Management Services to retrieve electronic materials, and given the number of facilities and the time span involved, this process may take some time. Respondents do not plan to file a response to the motion, although they would like to go to hearing as soon as possible. The motion is granted, and the following discovery dates are now in effect.

**DISCOVERY SCHEDULE**

DESCRIPTION OF ACTIVITY	DUE DATE
Disclosure of People's opinion witnesses	March 1, 2014
Responses to written discovery for all parties	March 20, 2014

The parties are directed to participate in a telephone status conference with the hearing officer at 10:30 a.m. on March 17, 2014. The status conference shall be initiated by the People.

IT IS SO ORDERED.
