On January 31, 2014, the Illinois Environmental Protection Agency (IEPA) and ExxonMobil Oil Corporation (ExxonMobil) filed comments regarding the status of this subdocket. In its comment, IEPA asked that a new subdocket be opened to address chlorides and Exxon Mobil agreed with this request. The request by IEPA will be treated as a motion which the Board will address. Participants who wish to respond to the request should file responses by February 14, 2014. The mailbox rule does not apply to the filing of the responses. See 35 Ill. Adm. Code 101.300. After the Board has ruled on the request for a subdocket, a final comment period will be established.
