**Narrative Inspection Report**

**Site #:** 0818105007 – Jefferson County  
**Site Name:** Mt. Vernon / Holman (2), Ghent B. Jr. (Farm)  
**Date of Inspection:** January 22, 2014  
**Inspector:** Garrison Gross

**Subject:** Open Dump Site Inspection at Ghent B. Holman (2), Jr. (Farm) Site

**General Remarks:** An Open Dump Site Inspection was conducted on Wednesday, January 22, 2014 at the property of Ghent B. Holman, Jr. The inspection was conducted by Garrison Gross representing the Illinois EPA Bureau of Land. The property address is 12516 East Green Road, in rural Mt. Vernon, Illinois, 62864. The inspection was conducted based on a complaint (C-13-134) alleging open dumping of vehicles at the site. Weather conditions at the time of the inspection were overcast skies, 25° F, with a moderate breeze. Surface conditions were frozen with light snow cover.

**Inspection Findings:** The inspection began at 1:25 P.M. The inspection was initiated from the public roadway. Numerous vehicles were observed from offsite (photo 001). Vehicles were scattered along the entrance driveway and in the field around the mobile home and barn. No signs were posted indicating that an automotive business was being operated at the site. I entered the site and continued the inspection by walking and photographing the site.

Approximately forty (40) waste vehicles were observed at the site (photos 001-018 and 020-029). All of the vehicles appeared to be more than 7 years old. Some of vehicles were missing windows or doors or the windows were rolled down; others had sustained collision damage. Some of the vehicles were missing wheels, motors, or other essential parts. Most of the vehicles did not have license plates or the plates weren't current; suggesting that the vehicles hadn't been driven for some time. Most of the vehicles did not appear to be operable in their current condition. Some of the vehicles were overgrown in vegetation; others appeared to be more recently acquired.

Evidence of open burning and scavenging was observed near the barn (photo 019). What appeared to be steel braided hoses were observed in a pile. It appeared that the hoses had been burned to remove the rubber / plastic covering. Other unidentifiable metal items were in the burn pile. Approximately 600 cubic yards of waste were observed at the site. The inspection ended at approximately 1:45 P.M.

**Additional Remarks:** Information concerning property ownership / control was obtained through tax records available from the Supervisor of Assessment's Office in Jefferson County. Tax bills are mailed to Ghent B. Holman, Jr., 15885 North Illinois Highway 37, Mt. Vernon, Illinois 62864. The property is referred to as parcel 07-18-200-002 and contains approximately 130.86 acres. Mt. Vernon Autocars, Inc. is registered with the Secretary of State and Ghent B. Holman, Jr. is listed as the registered agent and president. The business is operated at 2603 Veteran Memorial Drive in Mt Vernon and has been issued a license by the Illinois SOS to sell used cars. The Illinois SOS license does not cover the property located at 12516 East Green Road, Mt. Vernon, Illinois.
