(Permit Appeal - Air)

ORDER OF THE BOARD (by J. D. O'Leary):

On June 9, 2014, W.R. Meadows, Inc. (petitioner) filed a motion to voluntarily dismiss this air permit appeal, which concerns petitioner's manufacturing facility located in Hampshire, Kane County. Petitioner had appealed a determination of the Illinois Environmental Protection Agency (Agency) in which the Agency denied petitioner's application to renew an operating permit for certain emissions sources and manufacturing operations. According to the motion for voluntary dismissal, the Agency has issued a new air emissions permit to petitioner. The Board grants petitioner's motion, dismisses the appeal, and closes the docket.

IT IS SO ORDERED.

I, John T. Therriault, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on June 19, 2014, by a vote of 4-0.

John T. Therriault, Clerk
Illinois Pollution Control Board
