**PETITION FOR REVIEW OF AGENCY LUST DECISION**

NOW COMES Petitioner, PARADIGM PROPERTIES, INC., pursuant to Section 57.8(i) of the Illinois Environmental Protection Act, 415 ILCS 5/57.8(i), and hereby appeals the Agency's final decision, refusing to approve the application for payment, and in support thereof states as follows:

1. This appeal arises from underground storage tanks formally at property owned by Paradigm Properties, Inc. in St. Francisville, Illinois, and assigned LPC #1010255009.
2. Petitioner filed an application for payment for work performed pursuant to plans and budgets approved by the Illinois EPA.
3. On July 2, 2014, the Illinois EPA rejected the application for payment on the grounds that the application was incomplete. Attached hereto is a true and correct copy of said decision.
4. The Illinois EPA's decision should be reversed for the following reasons:
  - a. The application was complete, containing all of the information required of a complete application pursuant to Section 57.8 of the Illinois Environmental

Protection Act (415 ILCS 5/57.8(a)(6));

- b. The application was complete, containing all of the information required of a complete application pursuant to 35 Ill. Adm. Code § 734.605;
- c. The application was complete pursuant to forms that existed at the time application for payment was submitted to the Illinois EPA;
- d. The Petitioner is relieved from the obligation to submit or file forms that are not in compliance with the Forms Notice Act (20 ILCS 435/1 *et seq.*);
- e. The information sought is irrelevant under the LUST Program; and
- f. The Agency improperly seeks to review documents that exceed its scope of review, including mandating the creation of new documents that were not created when the underlying transactions occurred, and were not relied upon in the completion of the application for payment.

5. The Agency's determination was made on July 2, 2014, which is less than 35 days from the date this appeal is being filed, and therefore timely.

WHEREFORE, Petitioner, PARADIGM PROPERTIES, INC., prays that: (a) the Agency produce the Record; (b) a hearing be held; (c) the Board find the Agency erred in its decision, (d) the Board direct the Agency to approve the application for payment in full, (e) the Board award payment of attorney's fees; and (f) the Board grant Petitioner such other and further relief as it deems meet and just.

Dear Mr. Keebler:

The Illinois Environmental Protection Agency (Illinois EPA) has completed the review of your application for payment from the Underground Storage Tank (UST) Fund for the above-referenced Leaking UST incident pursuant to Section 57.8(a) of the Illinois Environmental Protection Act (Act), as amended by Public Act 92-0554 on June 24, 2002, and 35 Illinois Administrative Code (35 Ill. Adm. Code) 734.Subpart F.

This information is dated March 4, 2014 and was received by the Illinois EPA on March 5, 2014. The application for payment covers the period from February 15, 2013 to October 21, 2013. The amount requested is \$1,551.77.

On March 5, 2014, the Illinois EPA received your application for payment for this claim. As a result of the Illinois EPA's review of this application for payment, a voucher cannot be prepared for submission to the Comptroller's office for payment. Subsequent applications for payment that have been/are submitted will be processed based upon the date subsequent application for payment requests are received by the Illinois EPA. This constitutes the Illinois EPA's final action with regard to the above application(s) for payment.

In accordance with 35 Ill. Adm. Code 734.665, an owner or operator that submits an application for payment must maintain all books, records, documents, and other evidence directly pertinent to the application for payment, including but not limited to all financial information and data used in the preparation or support of applications for payment. All books, records, documents,

Page 1

and other evidence must be maintained in accordance with accepted business practices and appropriate accounting procedures and practices. (Section 57.6(a) and 57.15 of the Act)

The deductible amount for this claim is \$10,000.00, which was previously withheld from your payment(s). Pursuant to Section 57.8(a)(4) of the Act, any deductible, as determined pursuant to the Office of the State Fire Marshal's eligibility and deductibility final determination in accordance with Section 57.9 of the Act, shall be subtracted from any payment invoice paid to an eligible owner or operator.

There are costs from this claim that are not being paid. Listed in Attachment A are the costs that are not being paid and the reasons these costs are not being paid.

An underground storage tank system owner or operator may appeal this decision to the Illinois Pollution Control Board. Appeal rights are attached.

If you have any questions or require further assistance, please contact Catherine S. Elston of my staff at 217-785-9351.

Sincerely,

Item # Description of Deductions

1. \$1,551.77, deduction for handling charges, which lack supporting documentation. Such costs are ineligible for payment from the Fund pursuant to 35 Ill. Adm. Code 734.630(cc). Since there is no supporting documentation of costs, the Illinois EPA cannot determine that costs will not be used for activities in excess of those necessary to meet the minimum requirements of Title XVI of the Act. Therefore, such costs are not approved pursuant to Section 57.7(c)(3) of the Act because they may be used for site investigation or corrective action activities in excess of those required to meet the minimum requirements of Title XVI of the Act.

Affidavits (attached) must be completed, signed, and sealed for the following subcontractors for the work completed pursuant to the above referenced claim:

Sumner Landfill for invoice #0000001736 in the amount of \$27,599.28  
Allendale Gravel Company for the October 1, 2013 statement in the amount of \$3,435.97.

However, the 35-day period may be extended for a period of time not to exceed 90 days by written notice from the owner or operator and the Illinois EPA within the initial 35-day appeal period. If the owner or operator wishes to receive a 90-day extension, a written request that includes a statement of the date the final decision was received, along with a copy of this decision, must be sent to the Illinois EPA as soon as possible.
