ORDER OF THE BOARD (by D. Glosser):

On September 23, 2014, the parties timely filed a joint notice to extend the 35-day period within which Calhoun County Rural Water District (Calhoun County) may appeal an August 21, 2014 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2012); 35 Ill. Adm. Code 101.300(b), 105.206(c), 105.208(a), (c). In the determination, the Agency denied Calhoun County's application for a Construction Permit for the construction of a ground storage tank. The Agency denied Calhoun County's application because it found that its proposed improvements did not conform to the design criteria promulgated by the Agency (35 Ill. Adm. Code Part 602.105(b)). In addition, the Agency found that Calhoun County's proposed construction was not in accordance with Agency Rules for Public Water Supplies, and the American Water Works Association Standards (35 Ill. Adm. Code 652.111 (a)(2)).

The Board extends the appeal period until December 29, 2014, as the parties request. *See* 415 ILCS 5/40(a)(1) (2012); 35 Ill. Adm. Code 105.208(a). If Calhoun County fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, John T. Therriault, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on October 2, 2014, by a vote of 4-0.
