HEARING OFFICER ORDER

On November 6, 2014, all parties participated in a telephonic status conference with the hearing officer. Possible hearing dates of December 16 or December 17, 2014 were discussed. Counsel for the Illinois Environmental Protection Agency (Agency) stated that she is attempting to find out the availability of the Agency's witnesses. Likewise, the hearing officer is looking into the Board and the Board's staff availability and the availability of the hearing location.

It appears that any questions the Board or Board staff may have will be forwarded to the petitioner on or before November 28, 2014. The Board is anticipating that any responses will be filed with the Board at least a week before the hearing so that the Board or Board staff will have time to review the responses. Counsel for the Agency stated that she hopes that the Agency's questions, if any, will be forwarded to the petitioner on or before November 28, 2014. It is noted that depending on the availability of Board personnel and type of questions forwarded to the petitioner and petitioner's response time, the hearing may have to be scheduled at a different date than originally discussed.

The parties or their legal representatives are directed to participate in a telephonic pre-hearing conference with the hearing officer on November 13, 2014, at 1:00 p.m. The telephonic conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
