**PETITION FOR REVIEW OF AGENCY LUST DECISION**

NOW COMES Petitioner, MARY JANE BENNETT, pursuant to Section 57.8(i) of the Illinois Environmental Protection Act, 415 ILCS 5/57.8(i), and hereby appeals the Agency's final decision, refusing to approve the application for payment, and in support thereof states as follows:

1. This appeal arises from underground storage tanks formally at the Cobden One Stop in Cobden, Union County, Illinois, now owned by Mary Jane Bennett, and assigned LPC #1810155013.
2. Petitioner filed an application for payment for work performed pursuant to plans and budgets approved by the Illinois EPA.
3. On October 17, 2014, the Illinois EPA rejected the application for payment on the grounds that the application was incomplete. Attached hereto is a true and correct copy of said decision.
4. The Illinois EPA's decision should be reversed for the following reasons:
  - a. The application was complete, containing all of the information required of a complete application pursuant to Section 57.8 of the Illinois Environmental

Protection Act (415 ILCS 5/57.8(a)(6));

- b. The application was complete, containing all of the information required of a complete application pursuant to 35 Ill. Adm. Code § 734.605;
- c. The application was complete pursuant to forms that existed at the time application for payment was submitted to the Illinois EPA;
- d. The Petitioner is relieved from the obligation to submit or file forms that are not in compliance with the Forms Notice Act (20 ILCS 435/1 *et seq.*);
- e. The information sought is irrelevant under the LUST Program; and
- f. The Agency improperly seeks to review documents that exceed its scope of review, including mandating the creation of new documents that were not created when the underlying transactions occurred, and were not relied upon in the completion of the application for payment.

5. The Agency's determination was made on October 17, 2014, which is 35 days from the date this appeal is being filed, and therefore timely.

WHEREFORE, Petitioner, MARY JANE BENNETT, prays that: (a) the Agency produce the Record; (b) a hearing be held; (c) the Board find the Agency erred in its decision, (d) the Board direct the Agency to approve the application for payment in full, (e) the Board award payment of attorney's fees; and (f) the Board grant Petitioner such other and further relief as it deems meet and just.

Dear Ms. Bennett:

The Illinois Environmental Protection Agency (Illinois EPA) has completed the review of your application for payment from the Underground Storage Tank (UST) Fund for the above-referenced Leaking UST incident pursuant to Section 57.8(a) of the Illinois Environmental Protection Act (Act), as amended by Public Act 92-0554 on June 24, 2002, and 35 Illinois Administrative Code (35 Ill. Adm. Code) 734.Subpart F.

This information is dated June 16, 2014 and was received by the Illinois EPA on June 23, 2014. The application for payment covers the period from January 6, 2014 to May 12, 2014. The amount requested is \$419,858.91.

On June 23, 2014, the Illinois EPA received your application for payment for this claim. As a result of the Illinois EPA's review of this application for payment, a voucher cannot be prepared for submission to the Comptroller's office for payment. Subsequent applications for payment that have been/are submitted will be processed based upon the date subsequent application for payment requests are received by the Illinois EPA. This constitutes the Illinois EPA's final action with regard to the above application(s) for payment.

The deductible amount for this claim is \$5,000.00, which was previously withheld from your payment(s). Pursuant to Section 57.8(a)(4) of the Act, any deductible, as determined pursuant to the Office of the State Fire Marshal's eligibility and deductibility final determination in accordance with Section 57.9 of the Act, shall be subtracted from any payment invoice paid to an

eligible owner or operator.

There are costs from this claim that are not being paid. Listed in Attachment A are the costs that are not being paid and the reasons these costs are not being paid.

An underground storage tank system owner or operator may appeal this decision to the Illinois Pollution Control Board. Appeal rights are attached.

Citations in this attachment are from the Environmental Protection Act (415 ILCS 5) (Act) and 35 Illinois Administrative Code (35 Ill. Adm. Code).

Description of Deductions

The application for payment in its entirety is denied because it contains costs which lack supporting documentation. Such costs are ineligible for payment from the Fund pursuant to Section 57.6(a) of the Act and 35 Ill. Adm. Code 734.630(cc). Without additional supporting documentation of costs, the Illinois EPA cannot determine that costs will not be used for activities in excess of those necessary to meet the minimum requirements of Title XVI of the Act. Therefore, such costs are not approved pursuant to Section 57.7(c)(3) of the Act because they may be used for site investigation or corrective action activities in excess of those required to meet the minimum requirements of Title XVI of the Act. The documentation listed below in items 1 through 7 is necessary to support this claim submitted to the Illinois EPA.

Further, pursuant to Section 57.6(a) of the Act and 35 Ill. Adm. Code 734.605(a), an owner or operator seeking payment from the Fund must submit to the Illinois EPA an application for payment on forms prescribed and provided by the Illinois EPA. The claim submitted did not include the forms listed below in items 1 and 6.

In addition, the application for payment requests handling charges for subcontractor costs when the contractor has not submitted proof of payment of the subcontractor costs. Such costs are ineligible for payment from the Fund pursuant to Section 57.6(a) of the Act and 35 Ill. Adm. Code 734.630(ii). In addition, such costs are not approved pursuant to Section 57.7(c)(3) of the Act because they are not reasonable. The application for payment failed to include sufficient documentation that the contractor paid the applicable subcontractor invoices. The Illinois EPA is requesting the affidavits referenced in item 6 below be completed and submitted.

Moreover, in accordance with 35 Ill. Adm. Code 734.665, an owner or operator that submits an application for payment must maintain all books, records, documents, and other evidence directly pertinent to the application for payment, including but not limited to all financial information and data used in the preparation or support of applications for payment. All books, records, documents, and other evidence must be maintained in accordance with accepted business practices and appropriate accounting procedures and practices. (Sections 57.6(a) and 57.15 of the Act)

Pursuant to 35 Ill. Adm. Code 734.605(b)(9) and (10), a complete application for payment must contain:

An accounting of all costs, including but not limited to, invoices, receipts, and supporting documentation showing the dates and descriptions of the work performed; and

Proof of payment of subcontractor costs for which handling charges are requested. Proof of payment may include cancelled checks, lien waivers, or affidavits from the subcontractor.

The following information is needed to complete the review of the claim:

1. A breakdown of consulting personnel time requested for payment. Specifically requested are the *Consulting Personnel Costs Form* for the above-referenced claim and the companion *Personnel Weekly Work Sheet* that includes the days and times of day worked for each employee. Both forms are accessible on the Illinois EPA's Leaking UST Program Web page at [www.epa.state.il.us/land/ust/forms/budget-forms/forms-1/table-of-contents.html](http://www.epa.state.il.us/land/ust/forms/budget-forms/forms-1/table-of-contents.html) under the Application for Payment Forms.
2. A copy of all employees' time sheets for the period for which consulting personnel time was requested for payment.
3. A copy of all contracts signed by the UST owner or operator for the above-referenced claim.
4. A copy of all contracts and agreements between the consultant and all subcontractors.
5. Documentation that the UST owner or operator paid the applicable deductible. Documentation could include a copy of the canceled check (front and back).
6. Affidavit(s) (attached)—completed, signed, and sealed—for the following subcontractor for the work completed pursuant to the above-referenced claim:

JK Five Construction, Inc.  
Prairie Analytical Systems, Inc.(4 affidavits)  
Southern Illinois Regional Landfill (2 affidavits)  
McVicker Excavating, Inc.  
Anna Quarries, Inc.(2 affidavits)

7. A time and material breakdown is needed for the canopy that was removed and hauled off site for disposal.

The Illinois EPA has determined that a complete application for payment has not been submitted and the information listed above in items 1 through 7 is needed for a complete application for payment.
