HEARING OFFICER ORDER

On December 3, 2014, all parties participated in a telephonic status conference with the hearing officer. The parties stated that it appears that they have reached an accord on settlement terms. The complainant anticipates forwarding a draft stipulation and proposal for settlement (stipulation) to the respondent within the next few days. The respondent stated that it hopes the stipulation will be filed by year's end.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on January 15, 2015, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
