Hearing Officer Webb:

I discovered an error in the Motion for Costs filed for the Village of Caseyville. The total attorney's fees related to the preparation and certification of the record should be \$1836.45, rather than \$2425.50. The September invoice of \$589.05 was shown as a previous balance included in the amount due on the October invoice of \$1836.45.

Accordingly, the total costs should be \$4,307.52. I apologize for this mistake.

Thank you,
