#### CIVIL PENALTY

On August 21, 2014, the Board found Jamie and Angela Hollon in violation of Section 21(p)(1) and Section 21(p)(7) of the Act in AC 15-3. Because this Administrative Citation addresses a second or subsequent violation of Sections 21(p)(1) and 21(p)(7) of the Act, pursuant to Section 42(b)(4-5) of the Act, 415 ILCS 5/42(b)(4-5) (2014), Respondents are subject to a civil penalty of Three Thousand Dollars (\$3,000.00) for each violation and pursuant to Section 42(b)(4-5) of the Act, 415 ILCS 5/42(b)(4-5) (2014), Respondents are subject to a civil penalty of One Thousand Five

Pursuant to Section 31.1(d)(1) of the Act, 415 ILCS 5/31.1(d)(1) (2014), if Respondents fail to petition or elect not to petition the Illinois Pollution Control Board for review of this Administrative Citation within thirty-five (35) days of the date of service, the Illinois Pollution Control Board shall adopt a final order, which shall include this Administrative Citation and findings of violation as alleged herein, and shall impose the statutory civil penalty specified above.

When payment is made, Respondent's check shall be made payable to the Illinois Environmental Protection Trust Fund and mailed to the attention of Fiscal Services, Illinois Environmental Protection Agency, 1021 North Grand Avenue East, P.O. If any civil penalty and/or hearing costs are not paid within the time prescribed by order of the Illinois Pollution Control Board, interest on said penalty and/or hearing costs shall be assessed against the Respondents from the date payment is due up to and including the date that payment is received. The Office of the Illinois Attorney General may be requested to initiate proceedings against Respondents in Circuit Court to collect said penalty and/or hearing costs, plus any interest accrued.

**Narrative Inspection Report**

**Site #: 0690105017**

**Date of Inspection: January 2, 2015**

**County: Hardin**

**Inspector: Maggie Stevenson**

**Site Name: Elizabethtown/Hollon, Jamie and Angela**

**General Remarks**

This inspection was made as a follow-up to the 10/16/2013 and 6/17/2014 inspections. The inspection began at approximately 11:10 a.m. and concluded around 11:25 a.m. Fourteen pictures were taken of the site. The inspection was done off-site with the exception of the water in tires photo.

**Inspection Findings:**

At the time of the inspection, waste was strewn haphazardly in several locations (photos 001, 002, 003, 004, 005, 011, 012). Waste consisted of white goods (photo 001), construction demolition debris (photo 005), vehicles (photo 014), boats (photos 009, 012), tires (photos 001, 002, 003, 004, 006, 007, 008, 012), 55-gallon drums (photo 003) and miscellaneous waste (photos 001-004, 011, 012). Two lived-in mobile homes are located on the property. One is at the southwest corner and the other at the northeast corner of the property. A mobile home and camper overgrown in weeds and other vegetation are also located in the northeast corner of the property.

At least 35 tires were observed during the inspection. Some of the tires were holding water. Furniture is open dumped behind the barn near the Edwards Cemetery and at the mobile home in the southwest corner of the property. There are also approximately eight 55-gallon drums behind the mobile home in the southwest corner of the property that have unknown contents. The general construction demolition debris piles near the lived-in mobile home at the northeast corner of the property remain.

**Additional Remarks:**

The white and green trucks in photo 0690105017~01082014-001 have been moved from the mobile home site in the southwest corner to the mobile home site in the northeast corner of the property. The three boats in photo 0690105017~01082014-006 and the SUV in photo 0690105017~06172014-002 are now located in the area marked Edwards Cemetery. The camper and mobile home in photo 0690105017~01082014-006 remain in the same location. According to satellite images, waste near the Edwards Cemetery area is identifiable in May 2011.
