HEARING OFFICER ORDER

On February 5, 2015, all parties participated in a telephonic status conference with the hearing officer. The petitioner stated that the United States Environmental Protection Agency (USEPA) is expected to issue effluent limitation guidelines in September 2015. The petitioner stated that the USEPA's guidelines may moot or change some of the requirements of the above-captioned appeal. The petitioner further stated that it will file an open waiver of the statutory decision deadline.

The respondent's attorneys stated that they have yet to review the appeal.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 5, 2015, at 10:00 a.m. The telephonic conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
