ORDER OF THE BOARD (by C.K. Zalewski)

On January 8, 2015, the Board accepted Calhoun County Rural Water District's (petitioner) filing as a petition to contest an Illinois Environmental Protection Agency (Agency) denial of a permit, but directed petitioner to cure deficiencies identified in the order. The Agency's determination concerns petitioner's site located in Calhoun County. The Board directed the petitioner to file an amended petition accompanied by the appearance of an attorney by February 9, 2015, addressing these deficiencies before the case could be accepted for hearing. The Board did not receive an amended petition. Because petitioner failed to timely file an amended petition by February 9, 2015, the Board dismisses this case and closes the docket.

IT IS SO ORDERED.

I, John T. Therriault, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on May 7, 2015, by a vote of 5-0.
