PCB No. 15- 198
(LUST Appeal – Ninety Day Extension)

**REQUEST FOR NINETY DAY EXTENSION
OF APPEAL PERIOD**

NOW COMES the Respondent, the Illinois Environmental Protection Agency (“Illinois EPA”), by one of its attorneys, James G. Richardson, Deputy General Counsel, and, pursuant to Section 40(a)(1) of the Illinois Environmental Protection Act (415 ILCS 5/40(a)(1)) and 35 Ill. Adm. Code 105.208, hereby requests that the Illinois Pollution Control Board (“Board”) grant an extension of the thirty-five (35) day period for petitioning for a hearing to August 11, 2015, or any other date not more than a total of one hundred twenty-five (125) days from the date of receipt of the Illinois EPA’s final decision. In support thereof, the Illinois EPA respectfully states as follows:

1. On April 2, 2015, the Illinois EPA issued a final decision to the Petitioner.
2. On May 7, 2015, the Petitioner made a written request to the Illinois EPA for an extension of time by which to file a petition for review, asking the Illinois EPA to join in requesting that the Board extend the thirty-five day period for filing a petition by ninety days. Upon information and belief, the Petitioner received the final decision on or about April 8, 2015.

3. The additional time requested by the parties may eliminate the need for a hearing in this matter or, in the alternative, allow the parties to identify issues and limit the scope of any hearing that may be necessary to resolve this matter.

WHEREFORE, for the reasons stated above, the parties request that the Board, in the interest of administrative and judicial economy, grant this request for a ninety-day extension of the thirty-five day period for petitioning for a hearing.

Respectfully submitted,

ILLINOIS ENVIRONMENTAL PROTECTION AGENCY

James G. Richardson
Deputy General Counsel

Description of Deductions

The application for payment in its entirety is denied because it contains costs which lack supporting documentation. Such costs are ineligible for payment from the Fund pursuant to Section 57.6(a) of the Act and 35 Ill. Adm. Code 734.630(cc). Without additional supporting documentation of costs, the Illinois EPA cannot determine that costs will not be used for activities in excess of those necessary to meet the minimum requirements of Title XVI of the Act. Therefore, such costs are not approved pursuant to Section 57.7(c)(3) of the Act because they may be used for site investigation or corrective action activities in excess of those required to meet the minimum requirements of Title XVI of the Act. The documentation listed below in items 1 through 5 is necessary to support this claim submitted to the Illinois EPA.

Further, pursuant to Section 57.6(a) of the Act and 35 Ill. Adm. Code 734.605(a), an owner or operator seeking payment from the Fund must submit to the Illinois EPA an application for payment on forms prescribed and provided by the Illinois EPA. The claim submitted did not include the forms listed below in item 1.

Moreover, in accordance with 35 Ill. Adm. Code 734.665, an owner or operator that submits an application for payment must maintain all books, records, documents, and other evidence directly pertinent to the application for payment, including but not limited to all financial information and data used in the preparation or support of applications for payment. All books, records, documents, and other evidence must be maintained in accordance with accepted business practices and appropriate accounting procedures and practices. (Sections 57.6(a) and 57.15 of the Act)

Pursuant to 35 Ill. Adm. Code 734.605(b)(9) and (10), a complete application for payment must contain:

An accounting of all costs, including but not limited to, invoices, receipts, and supporting documentation showing the dates and descriptions of the work performed; and

The following information is needed to complete the review of the claim:

1. A breakdown of consulting personnel time requested for payment. Specifically requested are the *Consulting Personnel Costs Form* for the above-referenced claim and the companion *Personnel Weekly Work Sheet* that includes the days and times of day worked for each employee. Both forms are accessible on the Illinois EPA's Leaking UST Program Web page at www.epa.state.il.us/land/lust/forms/budget-forms/forms-1/table-of-contents.html under the Application for Payment Forms.
2. A copy of all employees' time sheets for the period for which consulting personnel time was requested for payment.
3. A copy of all contracts signed by the UST owner or operator for the above-referenced claim.
4. A copy of all contracts and agreements between the consultant and all subcontractors.
5. Documentation that the UST owner or operator paid the applicable deductible. Documentation could include a copy of the canceled check (front and back).

The Illinois EPA has determined that a complete application for payment has not been submitted and the information listed above in items 1 through 5 is needed for a complete application for payment.

Appeal Rights

An underground storage tank owner or operator may appeal this final decision to the Illinois Pollution Control Board pursuant to Sections 40 and 57.7(c)(4) of the Act by filing a petition for a hearing within 35 days after the date of issuance of the final decision. However, the 35-day period may be extended for a period of time not to exceed 90 days by written notice from the owner or operator and the Illinois EPA within the initial 35-day appeal period. If the owner or operator wishes to receive a 90-day extension, a written request that includes a statement of the date the final decision was received, along with a copy of this decision, must be sent to the Illinois EPA as soon as possible.
