## ORDER OF THE BOARD (by D. Glosser):

On May 27, 2015, IPH, LLC and Illinois Power Resources Generating, LLC (D.D. Edwards Power Plant) (petitioners) timely filed a petition asking the Board to review an April 22, 2015 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2014); 35 Ill. Adm. Code 101.300(b), 105.206. The determination concerns petitioners' power plant at 7800 South CILCO Road, Bartonville, Peoria County. For the reasons below, the Board accepts the petition for review.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2014)), the Agency is the permitting authority, responsible for administering Illinois' regulatory programs to protect the environment. If the Agency denies a permit or grants one with conditions, the permit applicant may appeal the Agency's decision to the Board. *See* 415 ILCS 5/4, 5, 40(a)(1) (2014); 35 Ill. Adm. Code 105.Subpart B. In this case, the Agency included conditions in the National Pollutant Discharge Elimination System (NPDES) permit issued for petitioners' Peoria County facility. Petitioners appeal on the grounds that conditions are "not lawful, not necessary to accomplish the purposes of" the Act and are arbitrary and capricious. Petitioners' petition meets the content requirements of 35 Ill. Adm. Code 105.210.

The Board accepts the petition for hearing. Petitioners have the burden of proof. 415 ILCS 5/40(a)(1) (2014); see also 35 III. Adm. Code 105.112(a). Hearings will be based exclusively on the record before the Agency at the time the Agency issued its permit decision. See 35 III. Adm. Code 105.214(a). Accordingly, though the Board hearing affords a permit applicant the opportunity to challenge the Agency's reasons for denying or conditionally granting the permit, information developed after the Agency's decision typically is not admitted at hearing or considered by the Board. See Alton Packaging Corp. v. PCB, 162 III. App. 3d 731, 738, 516 N.E.2d 275, 280 (5th Dist. 1987); Community Landfill Co. & City of Morris v. IEPA, PCB 01-170 (Dec. 6, 2001), aff'd sub nom. Community Landfill Co. & City of Morris v. PCB & IEPA, 331 III. App. 3d 1056, 772 N.E.2d 231 (3rd Dist. 2002).

Hearings will be scheduled and completed in a timely manner, consistent with the decision deadline (*see* 415 ILCS 5/40(a)(2) (2014)), which only petitioner may extend by waiver (*see* 35 Ill. Adm. Code 101.308). If the Board fails to take final action by the decision deadline, petitioner "shall be entitled to an Appellate Court order pursuant to subsection (d) of Section 41 of this Act [415 ILCS 5/41(d) (2014)]." 415 ILCS 5/40(a)(3) (2014). Currently, the decision deadline is September 29, 2015, which is the 120th day after the Board received the petition. *See* 35 Ill. Adm. Code 105.114. The Board meeting immediately before the decision deadline is scheduled for September 17, 2015.

Unless the Board or the hearing officer orders otherwise, the Agency must file the entire record of its determination by June 29, 2015, which is the first business day after 30 days after the Board received petitioners' petition. *See* 35 Ill. Adm. Code 105.212(a). If the Agency wishes to seek additional time to file the record, it must file a request for extension before the date on which the record is due to be filed. *See* 35 Ill. Adm. Code 105.116. The record must comply with the content requirements of 35 Ill. Adm. Code 105.212(b).

Accompanying the petition for review is a motion to stay the effectiveness of contested permit conditions. The Board reserves ruling on the motion for stay to allow the Agency's response time to run. *See* 35 Ill. Adm. Code 101.500(d).

## IT IS SO ORDERED.

I, John T. Therriault, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on June 4, 2015, by a vote of 5-0.
