**HEARING OFFICER ORDER**

On October 24, 2002, all parties participated in a telephonic status conference with the hearing officer. The parties reported that discussions have been ongoing in this matter and the related PCB 91-17 matter. The discussions center on an ammonia issue, which is related to both cases. The Illinois Environmental Protection Agency is to forward additional information to the petitioner addressing their concerns with the ammonia issue.

The parties are directed to participate in a telephonic status conference on December 12, 2002, at 11:30 a.m. The conference shall be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
