HEARING OFFICER ORDER

On June 11, 2015, all parties participated in a telephonic status conference with the hearing officer. The complainant stated that it recently forwarded a revised draft stipulation and proposal for settlement (stipulation) to the respondent. Respondent's counsel, however, stated that respondent has again filed for bankruptcy. Counsel is awaiting a ruling from the bankruptcy court allowing them to continue their representation in this matter.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on July 23, 2015, at 10:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
