HEARING OFFICER ORDER

On August 27, 2015, all parties participated in a telephonic status conference with the hearing officer. The petitioner stated that it installed two new sets of monitoring wells in July 2015. The results of the first samples show the groundwater has not been impacted and is readying for a second set of samples. The results of the second sampling are anticipated to be completed by November 2015. Once completed and reviewed by the parties, petitioner is hopeful that it will be able to file a significant permit modification application.

The petitioner stated that it will file an additional waiver of the statutory decision deadline to and including March 17, 2016.

The parties or their legal representatives are reminded and directed to appear at a telephonic status conference with the hearing officer on December 10, 2015, at 9:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
