MOTION FOR RECONSIDERATION

NOW COMES the Complainant, the Illinois Environmental Protection Agency (“Illinois EPA”), by and through its attorney, Michelle M. Ryan, pursuant to 35 Ill. Adm. Code 108.520, and respectfully states as follows:

(1) On August 18, 2015, the parties filed a Stipulation of Settlement and Dismissal of Respondent’s Petition for Review in the above-named matter.

(2) The terms of said Stipulation included an agreement by Respondent to pay the statutory civil penalty of \$1,500.00 in installments of \$250, beginning 30 days from the date of the Board’s order accepting the Stipulation and continuing monthly until paid in full.

(3) On September 3, 2015, the Pollution Control Board (“Board”) issued a final order in this case, “accept[ing] and incorporat[ing] by reference the stipulation,” but ordering Respondent to pay the penalty of \$1,500 in full by October 5, 2015.

(4) Although this situation does not concern new evidence or a change in the law, it does indicate that the terms of the Board’s September 3, 2015 order is inconsistent, both internally and with the agreement of the parties.

WHEREFORE, Illinois EPA requests that the Board reconsider its September 3, 2015 order and modify the terms of the payment schedule to be consistent with the terms of the Stipulation agreed to by the parties.
